

Homepage

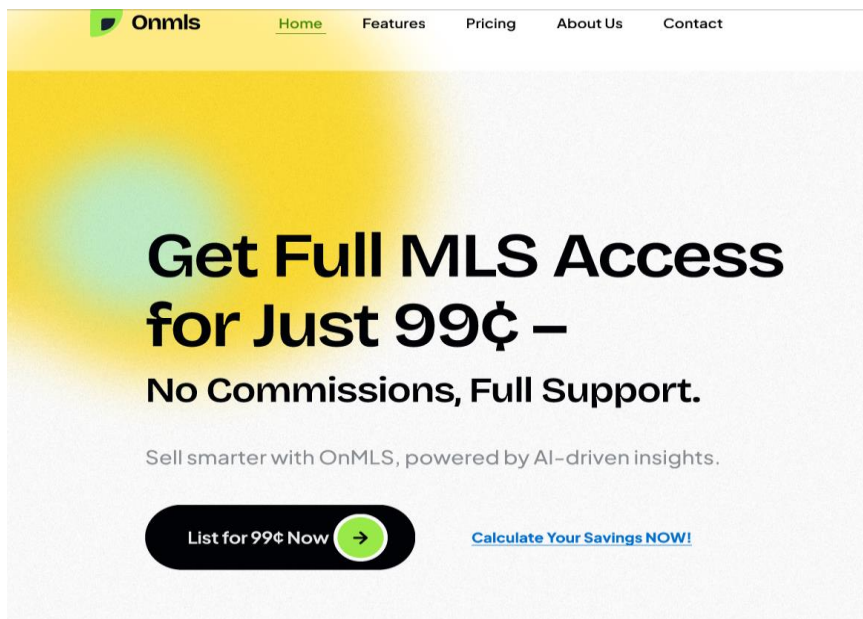

Current:

- Yellow circle in the corner is very small

- Home, Features, Pricing, About Us, Contact button are too much on the left side of the page

Expected:

- Yellow circle should be bigger, moving slowly and with green circle in it

- Home, Features, Pricing, About Us, Contact buttons - it's better to be more distant from the logo

Current:

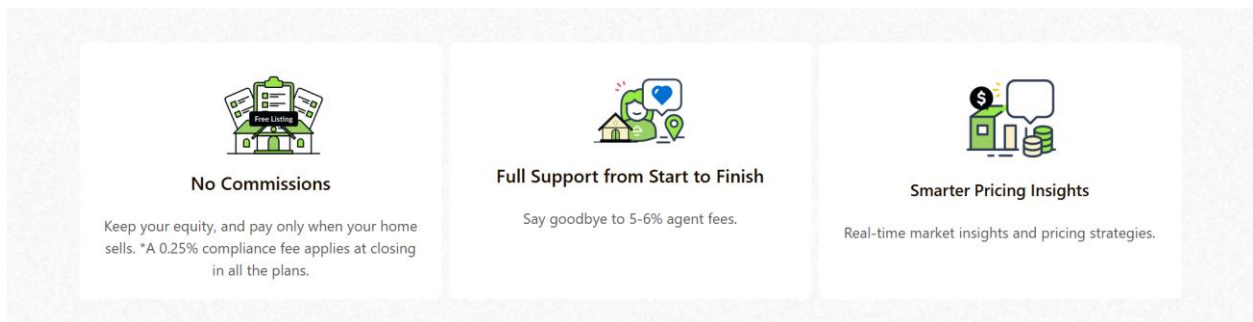

- The edges of the boxes are not round

Expected:

- Curved edges, there should be zoom in the text – when hover, also. One blank space after the :

Current:

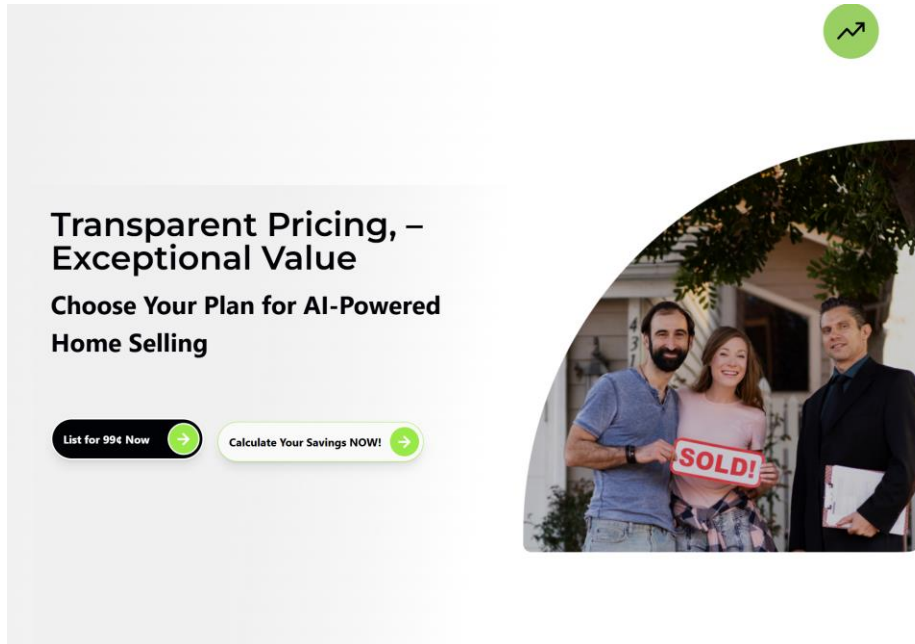

- Boxes are too close to each other

Expected:

- Space between them – extended

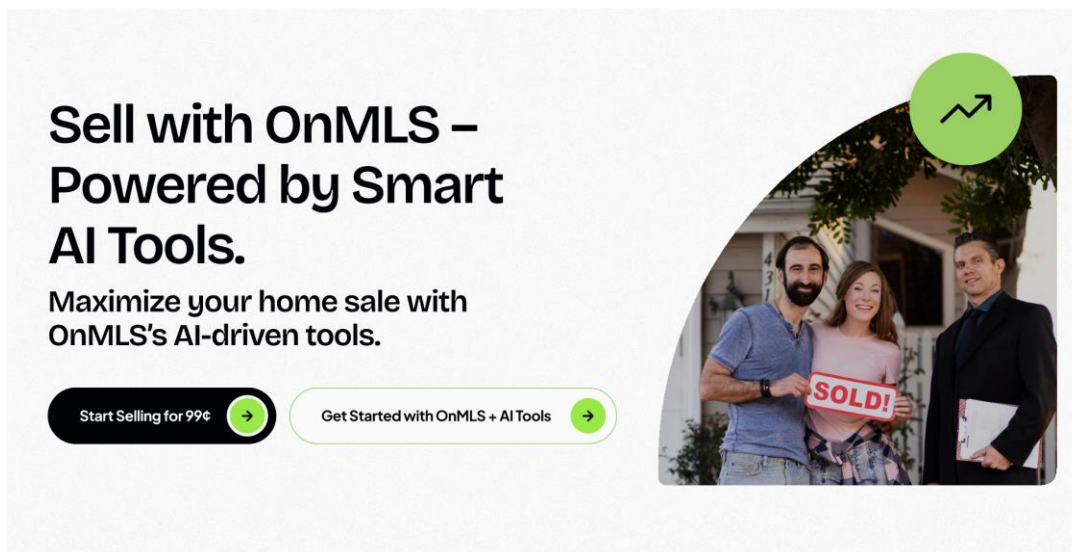

Features page

Current:

- There is too much blank space above the text and the picture, the circle with the arrow is very small and it's above this section

Expected:

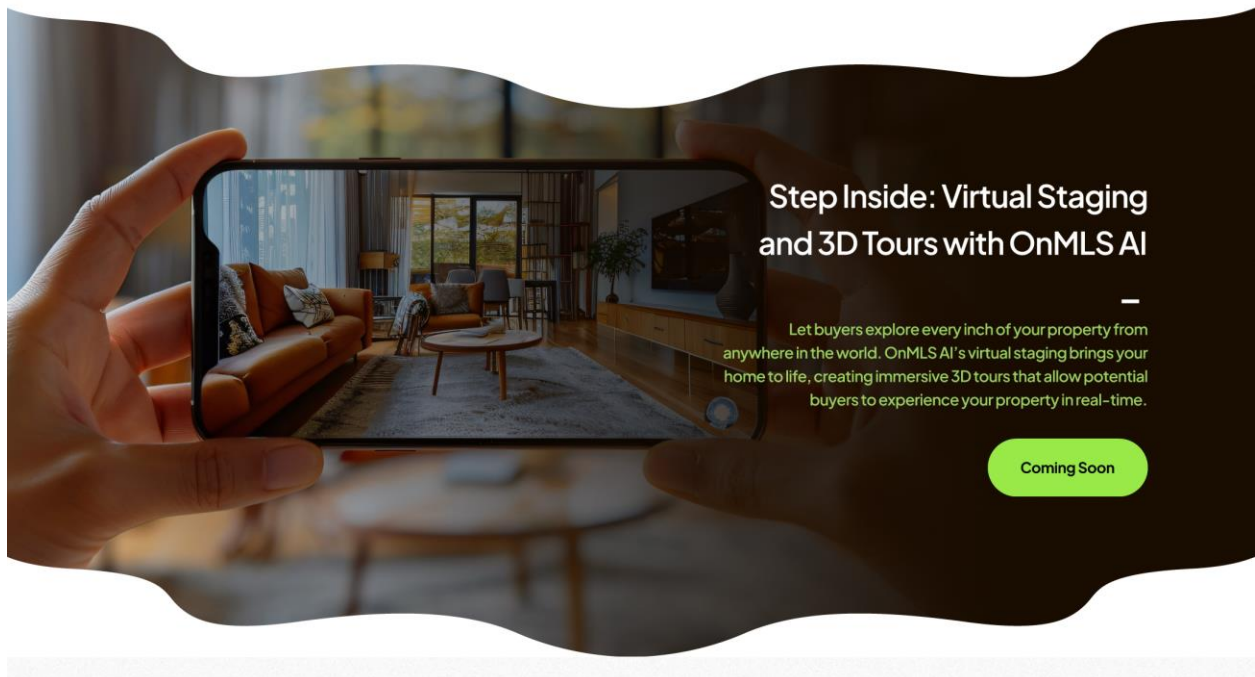

- The green circle is in the picture

Current:

- Picture in the middle and text on the right side

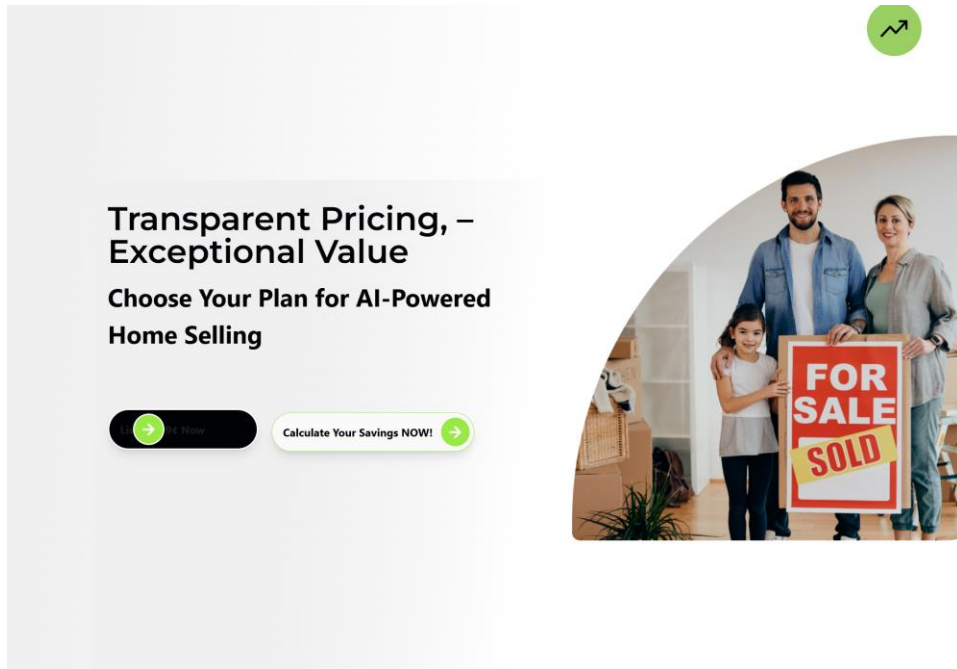

Expected:

- Extended picture with text and button

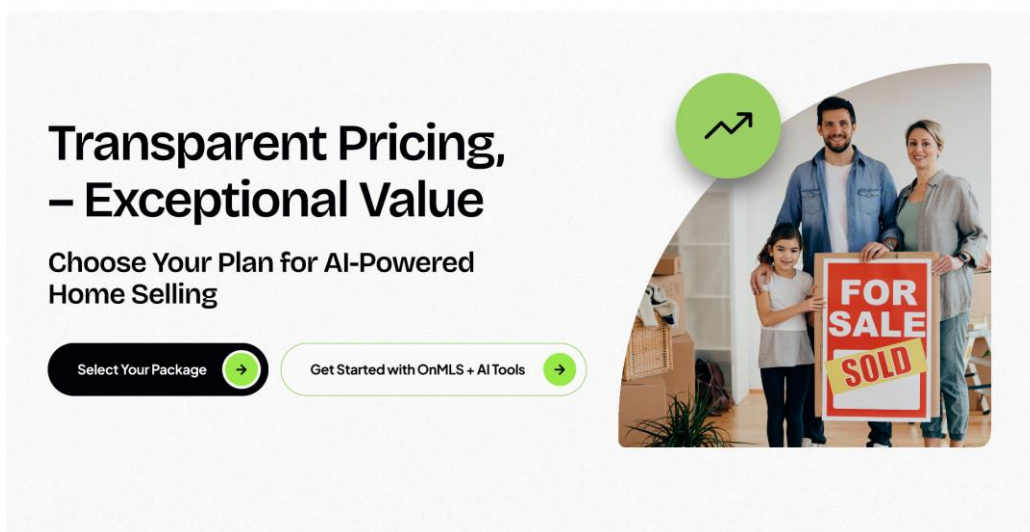

Pricing page

Current:

- Just like in the "Features page", there is too much blank space above the text and the picture, the circle with the arrow is very small and it's above this section

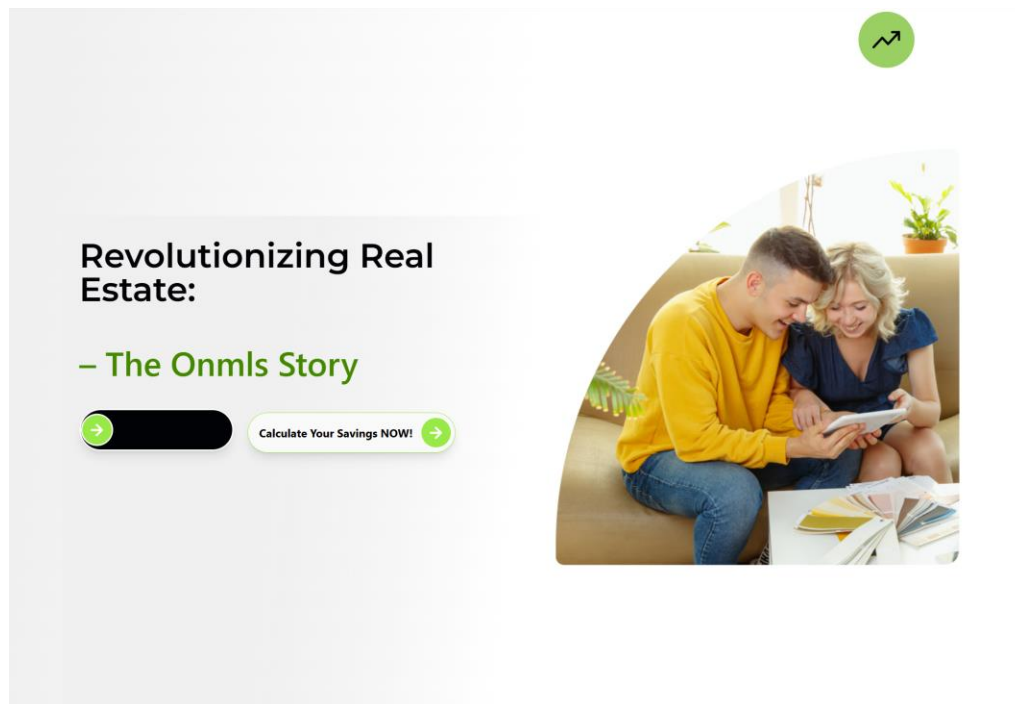

Expected:

- Bigger green circle that is in the picture and no space above section

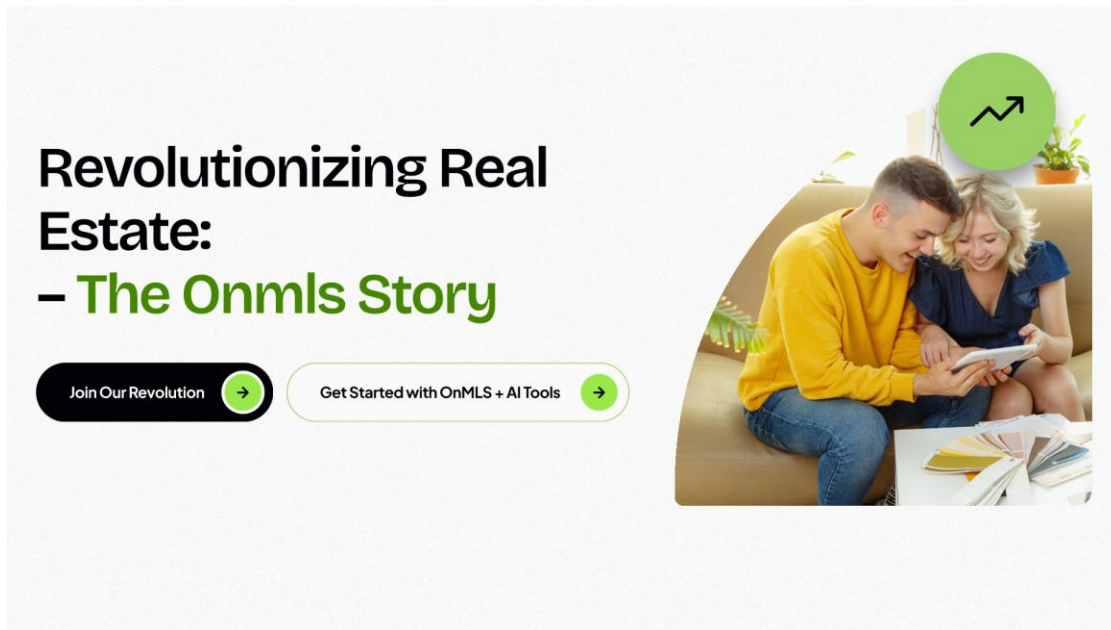

Above us page

Current:

- There is a circle that is above the picture, blank space also

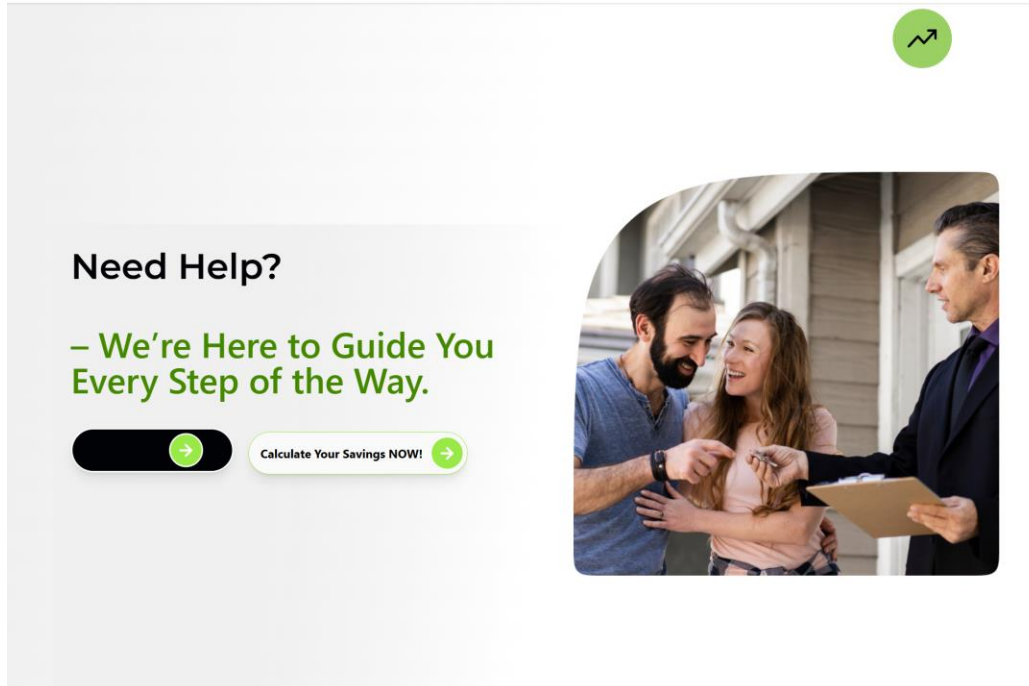

Expected:

- Bigger circle that is in the picture, no blank space

Contact page

Current:

- Same as the other pages – circle out

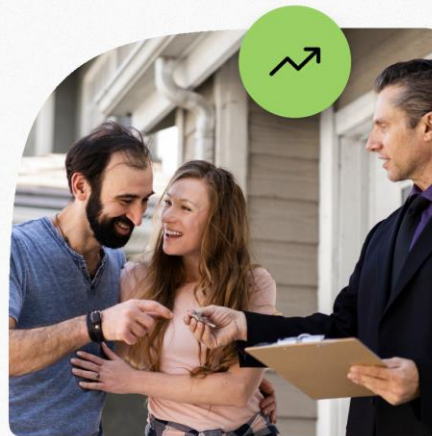

Expected:
